Coroner Reform Bulletin – update on the Coroners and Justice Bill

I thought you would like to be kept informed of the progress of the Coroners and Justice Bill currently before Parliament.

I am enclosing the first of a series of Coroner Reform Bulletins which focuses on comments made by the Public Bill Committee on the coroners and death certification section of the legislation. The Bulletin gives a brief overview of the timetable of the Bill; the issues welcomed by the Public Bill Committee and those they have some concern about; and some of the issues the Committee raised and which I have agreed to consider further. Of course, if you would like to read the full text of the Committee's discussions and of those giving evidence to them, they are available at <http://www.publications.parliament.uk/pa/cm200809/cmpublic/cmpubliccor.htm>.

I hope you find the information useful.

Kind regards
Bridget Prentice
