Coroner's Officers Association

Aims of the Day

- To ensure that coroner's officers and staff are fully informed about the proposals to reform the process of death certification.
- To give coroner's officers and staff the opportunity to contribute to policy development for example; by raising issues.
- To engage with the Department of Health to consider how coroner's officers, staff and medical examiner officers work alongside and support each other in the reformed system.

Programme (from 11am)

Update on Coroner Reform
